**Re: Notification of *Ex Parte* Communication
PS Docket No. 06-229, WT Docket Nos. 06-150 and 96-86**

Dear Ms. Dortch:

The Public Safety Spectrum Trust Corporation ("PSST") and Cyren Call Communications Corporation ("Cyren Call") hereby provide notice of permitted *ex parte* communications.

On September 8, 2008, the undersigned, along with Alan Caldwell, Secretary-Treasurer of PSST; Michele Farquhar from Hogan & Hartson LLP, counsel to PSST; Morgan O'Brien from Cyren Call; and Elizabeth Sachs from Lukas, Nace, Gutierrez & Sachs, Chartered, counsel to Cyren Call, met with Commissioner Deborah Taylor Tate and Wayne Leighton, Special Advisor to Commissioner Tate. Michele Farquhar, Alan Caldwell, Morgan O'Brien, and I also met separately with Renée Crittendon, Legal Advisor to Commissioner Jonathan Adelstein.

During the meetings, PSST and Cyren Call discussed the future re-auction of the D Block. In particular, PSST stated that while it retains a strong preference for a single, nationwide D Block licensee, it has begun exploring the merits of a state or regional licensing approach for the D Block based on recent discussions with potential bidders. PSST also discussed the public safety community's continuing need for a nationwide, interoperable broadband network and noted that if a state or regional licensing approach is used, the Commission should ensure interoperability and nationwide roaming on the shared network and require that a single technology be used throughout the network. The Commission also should adopt a legally binding governance structure to facilitate interactions among multiple D Block licensees and PSST.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, I am filing this notice electronically in the above-referenced docket. Please contact me directly with any questions

Respectfully Submitted,

/s/ Harlin R. McEwen
