**Re: In the Matter of Applications of Sprint Nextel Corporation and Clearwire Corporation for Consent to Transfer Control of Licenses and Authorizations, WT Docket No. 08-94.**

Dear Ms. Dortch:

On September 11, 2008, Intel Corporation ("Intel") Chief Executive Officer Paul Otellini met with Chairman Kevin Martin regarding the above captioned proceeding. Peter Pitsch and Marjorie Dickman of Intel, as well as Daniel Gonzalez and Charles Mathias of the Chairman's office, were also present at the meeting.

During the meeting, Mr. Otellini stated that FCC approval of the New Clearwire transaction will advance the public interest by expediting deployment of a nationwide mobile WiMAX network and increasing competition in the broadband marketplace. He explained that expeditious approval is a condition precedent to critical infrastructure funding and OEM platform decisions. In closing, Mr. Otellini asserted that New Clearwire will indisputably enhance competition and urged expeditious approval of the transaction.

Pursuant to Section 1.1206 of the Commission's Rules, 47 C.F.R. § 1.1206, a copy of this letter is being provided to each of the abovementioned parties. Please contact the undersigned with any questions related to this notice.

Respectfully submitted,

/s/ Marjorie J. Dickman
