**Ex Parte Notice:**

***In the Matter of Development of Nationwide Broadband Data, WC Docket No. 07-38.***

Dear Ms. Dortch:

On Thursday, September 11, 2008, Karlen Reed, Regulatory Counsel with the National Telecommunications Cooperative Association (NTCA), met with Ellen Burton, Alan Feldman, Michael Goldstein, and Jeremy Miller of the Industry Analysis and Technology Division. We discussed NTCA's continued request that the Commission keep FCC Form 477 broadband reporting data confidential and refrain from imposing new broadband mapping requirements until the Commission reviews the new census tract data that will be available in March 2009. The discussions were consistent with NTCA's positions in previously filed comments and pleadings in the above-referenced dockets.

Pursuant to Section 1.1206 of the Commission's rules, a copy of this letter is being filed via ECFS with your office. If you have any questions, please do not hesitate to contact me at (703) 351-2146.

Sincerely,

/s/ Karlen Reed
