

We did not file this certificate because we were not informed that we needed to file it. We only do local paging and no mobile phone service. We only collect customer name and billing address and we do not share this information with any other company or individual. We have had no complaints from employees or customers concerning the proprietary information. Please review and make sure that we are to file this form and please advise. Thanks, Charles V. Thomas-Pres. Tomfone Communications, Inc.
