**Re: Applications Relating to the Transfer of Control of Time Warner Cable Inc. from Time Warner Inc., MB Docket No. 08-120, WC Docket No. 08-157**

Dear Ms. Dortch:

On September 15, 2008, representatives of Time Warner Inc. and Time Warner Cable Inc. ("Time Warner Cable"), specifically, Susan Mort, Senior Counsel, Time Warner Inc.; Steven Teplitz, Senior Vice President, Government Relations, Time Warner Cable; Cristina Pauzé, Vice President, Federal Regulatory Affairs, Time Warner Cable; and Arthur H. Harding, Fleischman and Harding LLP, counsel for Time Warner Cable, met with Rudy Brioché, legal advisor to Commissioner Adelstein, to discuss the above-referenced transaction.

During this meeting, the parties provided an overview of the structure of the pending transaction that will result in the immediate and complete separation of Time Warner Cable from Time Warner Inc., and explained the public interest benefits that will flow from the transaction. The parties summarized their responses on the record in these proceedings to program access and program carriage issues raised in the comments, demonstrating that there is no legal, factual or policy basis for the rules after the vertical integration between Time Warner Cable and Time Warner Inc. has been eliminated. Finally, the parties urged prompt and unconditional grant of the pending applications.

Please do not hesitate to contact the undersigned with any questions regarding this submission.

Respectfully submitted,

A handwritten signature in black ink that reads 'Arthur H. Harding'.

Arthur H. Harding  
*Counsel for Time Warner Cable Inc.*
