Re: Unlicensed Operation in the TV Broadcast Bands, ET Docket No. 04-186

Dear Ms. Dortch:

On September 23, 2008, Neeraj Srivastava and Kerry Murray of Dell, Inc., and Paul Margie, representing Dell, met with Commissioner Jonathan Adelstein and his Legal Advisor Renee Crittendon, Charles Matthias, Legal Advisor to Chairman Kevin Martin, and Angela Giancarlo, Legal Advisor to Commissioner Robert McDowell, and on September 24, 2008 with Wayne Leighton, Legal Advisor to Commissioner Deborah Taylor Tate, regarding the TV white spaces proceeding. During these meetings, Dell discussed white spaces testing conducted by the Office of Engineering and Technology and its support for the emissions mask suggested by GE Healthcare for channels 36-38. Dell also noted that the Commission now has the ability to move forward and discussed the sensing, beacon, and geo-location technologies previously described in the record.

Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced docket. If you require any additional information please contact the undersigned.

Sincerely yours,

/s/ Paul Margie
