Re: *Assessment and Collection of Regulatory Fees for Fiscal Year 2008.*
MD Docket 08-65; RM No. 11312

Dear Ms. Dortch:

In two separate meetings on September 29, 2008, the following individuals met with Angela Giancarlo, Senior Legal Advisor to Commissioner McDowell, and Wayne Leighton, Special Advisor to Commissioner Tate, to discuss the Industry Consensus Proposal filed on September 23, 2008, for reform of international bearer circuit ("IBC") fees:

- Amy Alvarez, AT&T, Inc.
- Michael Donahue, Level 3 Communications, LLC
- Rogena Harris, Tata Communications (US) Inc.
- Bill Hunt (via telephone), Level 3 Communications, LLC
- Mark Montano, Verizon
- James Talbot, AT&T, Inc.
- Troy Tanner, Bingham McCutchen, on behalf of Brasil Telecom of America, Inc; Columbus Networks USA, Inc., ARCOS-1 USA, Inc., and A SUR Net, Inc.; and Hibernia Atlantic US LLC
- Joel S. Winnik, Hogan & Hartson LLP, on behalf of Marine Cable Corp.

The submarine cable operators represented in these meetings explained that the Industry Consensus Proposal addresses IBC reform comprehensively and fairly and reflects extensive negotiations among its supporters. Accordingly, those supporters respectfully asked that the Commission adopt the Proposal in its entirety.
