Re: *Ex Parte Notification*: Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92; In the Matter of Universal Service Contribution Methodology, WC Docket No. 06-122; In the Matter of Federal Joint Board on Universal Service, CC Docket No. 96-45

Dear Ms. Dortch:

Heather Gold and Lisa Youngers of XO Communications (XO) met with Amy Bender, legal advisor to Chairman Martin, on October 1, 2008, to make and discuss the attached presentation. I attended the meeting as counsel to XO on the legal issues raised by recent AT&T and Verizon filings proposing comprehensive intercarrier compensation/USF reform and USTelecom proposals regarding phantom traffic, but did not participate as counsel to XO with respect to traffic stimulation-related issues. The views expressed by XO at the meeting were consistent with the attached presentation.
