Re: Certification for New Rate Comparability Review for Non-Rural
Carriers Serving in Rural Areas

Dear Ms. Dortch and Ms. Majcher:

Pursuant to 47 C.F.R. § 54.316, I hereby certify on behalf of the Iowa Utilities Board (IUB) that the IUB has conducted a rate comparability review of the residential rates in the rural areas of Iowa who are served by non-rural incumbent local exchange carriers. The IUB certifies that these rates are reasonably comparable to urban rates nationwide under the Safe Harbor provision.

Please contact the undersigned if there are any questions concerning this matter.

Sincerely,

A handwritten signature in cursive script that reads "Judi K. Cooper".

Judi K. Cooper

Re: Certification Of High Cost Support For Rural Carriers And Competitive ETCs Pursuant To 47 C.F.R. § 54.314, CC Docket No. 96-45

Dear Ms. Dortch / Ms. Majcher:

The Iowa Utilities Board (Board) hereby certifies that all federal high cost support provided to rural carriers and competitive ETCs in this state will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with section 254(e) of the Communications Act of 1934, as amended. This includes High Cost Loop support (HCL), Local Switching Support (LSS), and high cost support received pursuant to the purchase of exchanges. The Board bases this certification on the individual carrier certifications filed with the Board. The Board states that Aventure Communication Technology LLC (SAC 359094) has been included with the list of certified carriers based on Aventure Communication Technology LLC's sworn affidavit. The Board notes that Aventure Communication Technology LLC's eligibility is at issue in open dockets before the Board and FCC. Specifically, Docket No. FCU-07-2 and CC Docket No. 96-45.

Attached is a list of carriers certified by the Board pursuant to section 54.314 of the FCC's rules (47 C.F.R. § 54.314), which requires states to establish an annual certification process for carriers receiving federal high cost support. As requested by the Universal Service Administrative Company, listed beside each carrier is its assigned study area code (SAC), if known.
