N.E. Colorado Wireless Technologies, Inc. (“N.E. Colorado”) recently acquired Call Signs WQIZ599, WQIZ600 and WQIZ601 in Auction No. 73 (the “Licenses”). It does not currently deploy service under the Licenses. Therefore, pursuant to Section 27.20 of the Commission’s Rules, 47 C.F.R. § 27.20, N.E. Colorado hereby reports for the quarter covering the period of April 1, 2008 through June 30, 2008, it did not take any outreach efforts to educate consumers about the transition from analog broadcast television service to digital television service (DTV). Nonetheless, if N.E. Colorado utilizes the Licenses to provide service to subscribers prior to the February 17, 2009 transition date, N.E. Colorado will undergo all outreach efforts required by the Commission’s rules in order to educate its subscribers about the DTV transition.
