Re: Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92; IP-Enabled Services, WC Docket No. 04-36.

Dear Ms. Dortch:

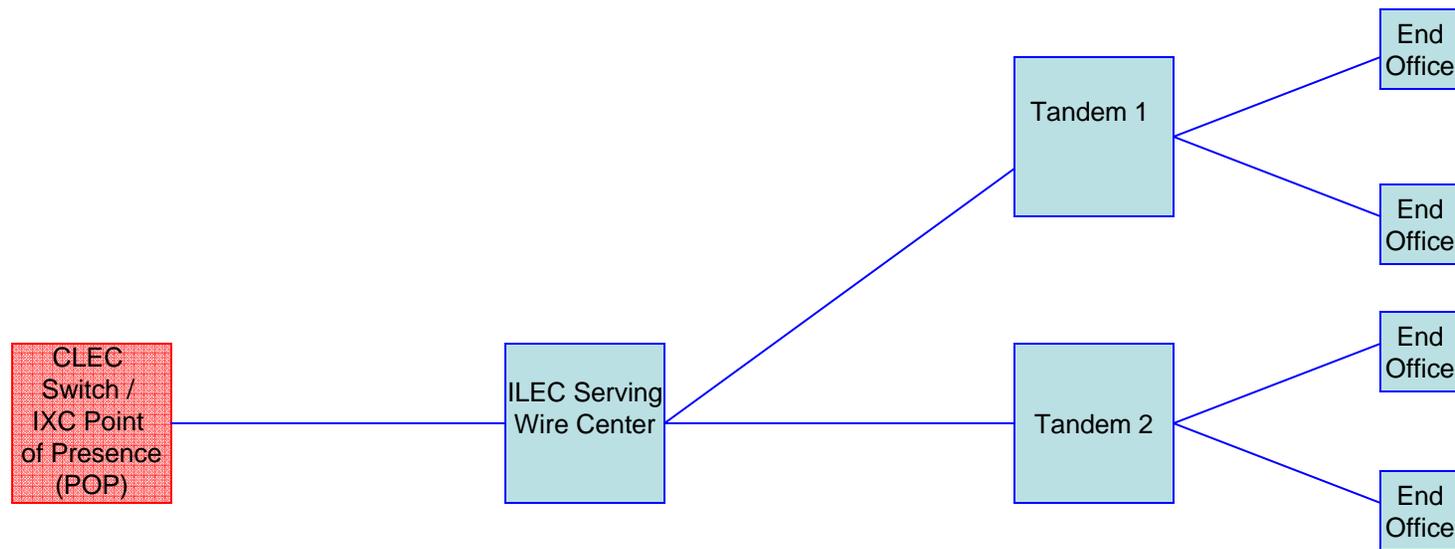

Yesterday, Amy Rosenthal, Tamara Preiss, Maggie McCready, Alan Buzacott and the undersigned representing Verizon and Verizon Wireless met with Greg Orlando of Commissioner Tate's office to discuss Verizon's position on intercarrier compensation reform. In the meeting, we answered questions about Verizon's comprehensive intercarrier compensation reform plan filed on September 12, 2008, and clarified the interconnection portions of that proposal. The attached documents were used in the meeting.

Sincerely,

A handwritten signature in black ink that reads "Donna Epps".
