**Re: Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92; In the Matter of Universal Service Contribution Methodology, WC Docket No. 06-122; In the Matter of Federal-State Joint Board on Universal Service, CC Docket No. 96-45; High-Cost Universal Service Support, WC Docket No. 05-337**

Dear Ms. Dortch:

Yesterday, Tom Tauke and Susanne Guyer, representing Verizon, and Jim Cicconi and Robert Quinn, representing AT&T, met with Chairman Martin and Dan Gonzalez to discuss comprehensive reform of the intercarrier compensation and universal service systems. Verizon and AT&T discussed their respective proposals for reform and explained the importance of rationalizing the current intercarrier compensation regime. They also expressed support for a numbers-based universal service contribution methodology.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Ann D. Berkowitz".

cc: Dan Gonzalez
