AWS Spectrum, LLC (“AWS”) recently acquired Call Sign WQIZ360 in Auction No. 73 (the “License”). It does not currently deploy service under the License. Therefore, pursuant to Section 27.20 of the Commission’s Rules, 47 C.F.R. § 27.20, AWS hereby reports for the quarter covering the period of July 1, 2008 through September 30, 2008, it did not take any outreach efforts to educate consumers about the transition from analog broadcast television service to digital television service (DTV). Nonetheless, if AWS utilizes the License to provide service to subscribers prior to the February 17, 2009 transition date, AWS will undergo all outreach efforts required by the Commission’s rules in order to educate its subscribers about the DTV transition.
