**Re: Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92;
In the Matter of Universal Service Contribution Methodology, WC Docket No. 06-122;
In the Matter of Federal-State Joint Board on Universal Service, CC Docket No. 96-45.**

Dear Ms. Dortch:

Yesterday, Susanne Guyer, Maggie McCready, Kathy Grillo, Tamara Preiss, Amy Rosenthal and the undersigned, representing Verizon and Verizon Wireless, met with Dana Shaffer and Don Stockdale of the FCC's Wireline Competition Bureau and Amy Bender of Chairman Martin's office to discuss comprehensive reform of the intercarrier compensation and universal service systems. Verizon discussed its proposals to reform the current intercarrier compensation and universal service systems. In particular, Verizon explained the importance of rationalizing the current intercarrier compensation regime and creating a new system that is more appropriate for today's innovative communications market.

Sincerely,
