**Re: Written Ex Parte Presentation
Applications of Atlantis Holdings LLC and Cellco Partnership d/b/a
Verizon Wireless for Transfer of Control
WT Docket No. 08-95**

Dear Ms. Dortch:

This letter responds to two inquiries by the FCC staff regarding the above-referenced transaction between Atlantis Holdings LLC (“Atlantis”) and Cellco Partnership d/b/a Verizon Wireless (“Verizon Wireless”).

First, Atlantis and Verizon Wireless clarify that the charts provided in response to Question II.1 of the Applicants’ September 17, 2008 Response to Information Request include, for columns under the “Covered” designation, only 800 MHz cellular and 2 GHz broadband Personal Communications Service spectrum. The columns under the designation “Licensed” also include 700 MHz and Advanced Wireless Services spectrum. In such regards, Verizon Wireless notes that, while it was the high bidder in Auction No. 73 for a number of 700 MHz authorizations, those authorizations have not yet been issued and are therefore not included in the “Licensed” data provided for Verizon Wireless.

Second, the FCC has noted that, based upon the FCC Form 602 filed by ALLTEL Corporation (“ALLTEL”), the name of the TPG managing member of Atlantis has been listed as “TPG Media V- AIV 1, L.P.,” and the applications filed initially on June 10, 2007 in connection with the acquisition of ALLTEL by Atlantis had shown the entity as being “TPG Atlantis V-A, L.P.” Atlantis clarifies that the change was, in fact, a change in partnership name, not the substitution of a new entity.
