Re: Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92.

Dear Ms. Dortch:

On October 17, 2008, Amy Rosenthal, Tamara Preiss and the undersigned representing Verizon and Verizon Wireless met with Scott Deutchman of Commissioner Copps' office to discuss Verizon's position on intercarrier compensation reform. In the meeting, we explained that, in order to minimize arbitrage opportunities, any reform of the current intercarrier compensation system should apply a uniform terminating rate for all traffic that touches the public switched network.

Sincerely,
