**Re: Ex Parte, NET 911, WC Docket No. 08-171; Implementation of the NET 911 Improvement Act of 2008**

Dear Ms. Dortch:

On Tuesday, October 21, 2008, Jim Bugel, Executive Director-Federal Regulatory and the undersigned on behalf of AT&T Inc. met with Wayne Leighton, Legal Advisor with Commissioner Deborah Tate's office, regarding our comments and reply comments in the above referenced proceeding. AT&T summarized its position, as represented in its filings, and further reiterated its view that the Commission should take action to implement the NET 911 Improvement Act of 2008 that is consistent with the narrow mandate given by Congress in that legislation.

If you have any questions please do not hesitate to call.

Sincerely,

/s/ Joan Marsh
