Re: Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92.

Dear Ms. Dortch:

Yesterday, Amy Rosenthal, Tamara Preiss and the undersigned representing Verizon and Verizon Wireless had separate meetings with Amy Bender of Chairman Martin's office, Greg Orlando of Commissioner Tate's office, Scott Bergmann of Commissioner Adelstein's office and Nick Alexander of Commissioner McDowell's office to discuss Verizon's position on intercarrier compensation reform. In these meetings, we explained that, in order to minimize arbitrage opportunities, any reform of the current intercarrier compensation system should apply a uniform terminating rate to all traffic that touches the public switched network. Verizon also explained certain aspects of the intercarrier compensation reform plan Verizon proposed. The discussion was consistent with Verizon's previous submissions on intercarrier compensation reform.

Sincerely,

A handwritten signature in black ink that reads "Donna Epps".
