Re: **Notification of *Ex Parte* Presentation
Applications of Atlantis Holdings LLC and Cellco Partnership d/b/a
Verizon Wireless for Transfer of Control
WT Docket No. 08-95**

Dear Ms. Dortch:

On October 23, 2008, Barry Ohlson, counsel for Atlantis Holdings LLC, and the undersigned met with Renée Crittendon, Legal Advisor to Commissioner Jonathan Adelstein. During the meeting, the parties discussed the public interest benefits of the proposed merger including Verizon Wireless's commitment to provide EVDO Rev. A services to the Alltel service territory. This deployment will bring important wireless broadband services to many underserved areas. The parties also discussed Verizon Wireless's extensive roaming commitments including the commitment to keep the rates set forth in Alltel's existing agreements with each regional, small and/or rural carrier for the full term of the agreement or for two years from the closing date, which ever occurs later. Finally, the parties discussed the extensive list of properties that Verizon Wireless has committed to divest in this transaction.

In accordance with Section 1.1206(b) of the Commission's rules, this letter is being filed electronically with your office. Please contact the undersigned if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Paul Nash".
