Re: ***EX PARTE NOTICE***  
**ET Docket No. 04-186; Unlicensed Operation in the TV Broadcast**  
**Bands**

Dear Ms. Dortch:

Earlier today, representatives from Shure Incorporated (“Shure”) and the Association for Maximum Service Television, Inc. (“MSTV”) met with the following individuals regarding the above-captioned matter: Rick Chessen, Senior Legal Advisor to Commissioner Copps, Renée Roland Crittendon, Legal Advisor to Commissioner Adelstein, Angela Giancarlo, Chief of Staff to Commissioner McDowell, Bruce Gottlieb, Legal Advisor to Commissioner Copps, and Wayne Leighton, Special Advisor to Commissioner Tate. In attendance on behalf of Shure were Catherine Wang and Tim Bransford of Bingham McCutchen LLP, outside counsel. In attendance on behalf of MSTV were David Donovan, President, Victor Tawil, Senior Vice President, and Bruce Franca, Vice President for Policy and Technology.

During this meeting we discussed the FCC equipment certification process and notice and comment requirements for future test or certification procedures. We also discussed concerns related to (1) demonstrably unreliable “sensing” technology, (2) unacceptable power levels proposed for unlicensed operations, (3) inconsistencies in OET’s October 15, 2008 test report, and (4) unresolved concerns regarding the peer review process.
