Dear Ms. Dortch:

On November 24, 2008, Thomas J. Tauke, Executive Vice President, Public Affairs, Policy and Communications, Verizon met with Chairman Kevin Martin. The purpose of the meeting was to discuss the Commission's proceeding to reform the intercarrier compensation and universal service systems. Mr. Tauke urged the Commission to move forward with comprehensive reform at its December 18 open meeting. Mr. Tauke also discussed the process for implementing the divestitures of wireless properties and the phase down of high cost Universal Service Fund support pursuant to the Commission's *Memorandum Opinion and Order* released November 10, 2008, approving the transaction between Verizon Wireless and Alltel.

Pursuant to Section 1.1206(b) of the Commission's rules, one electronic copy of this notice is being filed in the above-referenced proceeding. Please contact me with any questions.

Sincerely,

A handwritten signature in black ink that reads "Donna Epps".
