

tv was my life.. my childhood my only consistent friend all my life.
why are the paid watchdogs taking my only friend away and selling
it to crooks who stole my money to do this crime too?

the box i paid too much for doesnt work on any of my tvs

i get a colage of colored boxes on 1 tv only..
i get nothing at all but a blue screen on any other tvs.

where are the watchdogs im paying for to protect me and the usa?
