

1) I am writing regarding Time Warner's request to spin off its cable division.

2) I am not in agreement with Time Warner's nationwide distribution of pornography through pay-per-view cable.

3) In considering the spin-off request, I believe the FCC should require that Time Warner stop programming that is harmful to families and communities WHICH PORNOGRAPHY IS.

4) Studies show that pornography encourages distorted and unhealthy views of sexuality, particularly for deviant or violent types of people. PORNOGRAPHY DESTROYS MARRIAGES a lot of times also. At the heart of it is viewing other people for your own gratification and USING THESE PEOPLE AS OBJECTS.

5) PORNOGRAPHY ADVERSELY ENCOURAGES SEXUAL exploitation of women AND children, especially in homes where pornography is viewed.

6) Pornography negatively affects children, families and society through increased rates of divorce, sexual abuse and the sexualization of young people.
