Funding Request Number(s) 1140011
Correspondence Dated: October 27, 2008

After thorough review and investigation of all relevant facts, the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal.

Funding Request Number(s): 1140011
Decision on Appeal: **Denied in full**
Explanation:

FCC Rules related to the payment of support for discounted services establish deadlines for service providers to deliver services/products to the applicant. The FCC provides an extension of this deadline under certain conditions. Those conditions are documented in the Reference area on the USAC website. (See Service Delivery Deadlines and Extension Requests for more information.). In accordance with FCC Report and Order (FCC 01-195) released on June 29, 2001, in order to provide additional time to implement contracts or agreements with service providers for non-recurring services, applicants must submit documentation to the Administrator requesting relief on or before the original non-recurring services deadline.

Your appeal has not brought forth clear information establishing that application for relief was made prior to this deadline. Therefore, your appeal is denied.

If you believe there is a basis for further examination of your application, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be received or postmarked within 60 days of the

above date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the USAC/Schools and Libraries web site or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

Thank you for your continued support of and participation in the E-rate program.
