Re: Ex Parte Notice – RM-11429, UTC and Winchester Cator, L.L.C. Petition for Rulemaking to Provide Critical Infrastructure Access to the 14.0-14.5 GHz Band

To the Secretary:

This is to provide notice that, on December 3, 2008, Henry Goldberg, Esq., Amy Mehlman and Thomas Tycz, representing Winchester Cator, L.L.C., and Jill Lyon of the Utilities Telecom Council ("UTC") met with Chief of Staff Angela Giancarlo of Commissioner Robert McDowell's office concerning the above-referenced proceeding. The purpose of the meeting was to ask that the FCC move forward in adopting a *Notice of Proposed Rulemaking* in accordance with the parties' Petition. A written response to recent filings by the Satellite Industry Association in this matter also was provided. A copy of that response is attached to this Notice.

This Notice is being filed pursuant to Section 1.1206 of the Commission's Rules and Regulations, 47 C.F.R. § 1.1206. If there are any questions concerning this matter, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Jill M. Lyon", with a long, sweeping flourish extending to the right.
