Re: MB Docket No. 07-42

Dear Ms. Dortch:

On December 5, 2008, Daniel L. Brenner, Diane B. Burstein, and Michael S. Schooler of the National Cable & Telecommunications Association (NCTA) met with Amy Blankenship, Legal Advisor to Commissioner Tate.

During our meeting, we discussed issues raised in the written comments and reply comments of NCTA in the above-captioned proceeding regarding proposed changes to the rules and procedures governing program carriage complaints. We reiterated that, as noted in those comments, there is no evidence that program carriage complaints cannot be brought and efficiently adjudicated under existing rules.

Respectfully submitted,

/s/ Daniel L. Brenner
