Re: Wireless E911 Location Accuracy Requirements, PS Docket No. 07-114; Notice of Ex Parte Presentation

Dear Ms. Dortch:

On December 4, 2008, Michael Rosenthal and Holly Henderson of Southern Communications Services, Inc. d/b/a SouthernLINC Wireless ("SouthernLINC Wireless"), and Shirley Fujimoto, Christine Gill, and David Rines of McDermott Will & Emery LLP met with Jeff Cohen, Thomas Beers, Eric Ehrenreich, and Aaron Garza of the Public Safety and Homeland Security Bureau regarding the above-referenced proceeding.

In this meeting, we discussed the joint proposal prepared by APCO, NENA, and Verizon Wireless for new E911 location accuracy requirements for wireless carriers utilizing handset-based solutions. The views and positions expressed by SouthernLINC Wireless during this meeting were consistent with its filings in this docket.

In accordance with the Commission's Rules, one copy of this *ex parte* notice is being filed electronically for inclusion in the record of the above-referenced proceeding.

Very truly yours,

Shirley S. Fujimoto
