Re: Notice of Ex Parte Meeting: Telecommunications Relay Services and Speech-to-Speech Services for Individuals with hearing and Speech Disabilities CG Docket No. 03-123

Dear Ms. Dortch:

On December 5, 2008, Viable Communications, Inc., representatives Joseph Yeh (Vice-President, Business Strategy), Jason Yeh (Vice-President, Technology), Carla Mathers (General Counsel), and Alan Amann (Regulatory Affairs) met with Michael Jacobs and Gregory Hlibok of the Consumer and Governmental Affairs Bureau, Nicholas Degani, Stephanie Weiner, Bill Dever, and Heather Hendrickson of the Wireline Competition Bureau, and Richard Hovey of the Public Safety and Homeland Security Bureau.

They discussed Viable's Expedited Petition for Modification and Waiver, filed with the Commission on December 3, 2008. Such discussions included (1) the reasons in support of allowing server routing as requested in the petition; (2) the technical aspects of server routing, as illustrated by the Powerpoint presentation that was shown at the meeting (attached); and (3) the reasons in support of granting a waiver of 64.611(e), as requested in the petition.

Sincerely,

/s/ Carla M. Mathers
