RE: ERRATUM - American Cable Association ("ACA"); MB Docket Nos. 07-42 and 07-198

Dear Ms. Dortch:

On December 9, 2008, ACA filed an ex parte in the above-referenced dockets that contained a typographical error. The third sentence in the first paragraph should have read as follows:

ACA also opposes modifications to the rules that would give independent programmers grounds to file complaints against non-vertically integrated **operators** for failing to negotiate in good faith.

We have filed this erratum in the above-referenced dockets in order to correct the error.

Sincerely,

Jeremy M. Kissel
