Re: Wireless E911 Location Accuracy Requirements, PS Docket No. 07-114; Notice of *Ex Parte* Presentation

Dear Ms. Dortch:

On behalf of Southern Communications Services, Inc. d/b/a SouthernLINC Wireless ("SouthernLINC Wireless"), on December 10, 2008, David Rines of McDermott Will & Emery LLP met separately with Bruce Gottlieb, Legal Advisor to Commissioner Copps, Renee Crittendon, Legal Advisor to Commissioner Adelstein, and Jeff Cohen of the Public Safety and Homeland Security Bureau, and by telephone with Erika Olsen, Legal Advisor to Chairman Martin, regarding the above-referenced proceeding.

In these meetings, we discussed the joint proposal prepared by APCO, NENA, and Verizon Wireless for new E911 location accuracy requirements for wireless carriers utilizing handset-based location solutions. The views and positions expressed on behalf of SouthernLINC Wireless during these meetings were consistent with its public filings in this docket.

Very truly yours,

David D. Rines
