**Re: Notice of Oral Ex Parte Presentation  
Regarding Docket Nos. WT 06-150, PS 06-229**

Dear Ms. Dortch:

This is to report that yesterday, I met with James Schlichting, Joel Taubenblatt, Jennifer Salus, Peter Trachtenberg, and Nese Guendelsberger of the Wireless Telecommunications Bureau and David Furth and Jeff Cohen of the Public Safety & Homeland Security Bureau regarding the above-referenced proceedings. Mahesh Makhijani of QUALCOMM participated in the meeting by telephone.

During this meeting, I reiterated QUALCOMM's position that the Commission should not mandate the air interface or interfaces which to be deployed if the D block is licensed regionally. The arguments I made are contained in QUALCOMM's Comments and Reply Comments filed in response to the Commission's Third Notice of Proposed Rule Making in the above-referenced proceedings.

Respectfully submitted,

/s/ Dean R. Brenner
