COMMENTS

Hill Broadcasting Company, Inc. ("Hill"), ("Petitioner"), by and through its attorneys, and pursuant to Section 1.415 and 1.419 of the Commission's rules, 47 C.F.R. §1.415, 1.419 (2007), hereby submits these Comments in support of its Petition for Rulemaking (the "Petition") to amend the DTV Table of Allotments (47 C.F.R. § 73.622(i)) to change the post-transition, DTV channel assignment of Station KTVG-TV, Grand Island, Nebraska (the "Station") to Channel 16, and to make related technical changes to the Station's technical parameters.

As discussed in the Petition, the proposed change of the Station's post-transition DTV channel to Channel 16 will permit the Petitioner to convert portions of its existing analog equipment for use on Digital Channel 16. This will permit the Petitioner to save substantial expenses, and will permit the completion of the construction of the Station's post-transition prior to the end of the DTV transition. In addition, the proposal would result in the expansion of the Station's service to 1,621 people. Finally, the proposed facility complies with the Commission's processing guidelines established in the DTV Order regarding the permissible change in a post-transition DTV facility.

Therefore, Hill Broadcasting Company, Inc., respectfully requests that the Commission grant the Petition for Rulemaking.

Respectfully submitted,

Crispin & Greenberg PLLC
