Lead Application Information

This Application is one of a group of filings in connection with the merger of Centennial Communications Corp. and AT&T Inc. The Applicants have designated the transfer of control application filed for Baucse Communications of Beaumont, Inc., File No. 0003652447 (lead call sign KNKA454), as the lead application for the wireless radio services for the transaction. Accordingly, the Applicants hereby incorporate by reference Exhibits 1-2 of the lead application.

Minor Amendment

Centennial Communications Corp. and AT&T Inc. hereby amend the instant application to include twenty-four additional common carrier fixed point-to-point microwave licenses that are held by Centennial Puerto Rico License Corp. ("CPRLC"). The Commission's licenses records were only recently updated to reflect the *pro forma* assignment of these microwave licenses to CPRLC, see ULS File No. 0003656189. Accordingly, the parties are now amending the instant transfer of control application to include these licenses.
