Re: **Request for Extension of Time to File Construction Permit Application**  
Station WJCD(FM), Windsor, Virginia  
Facility Identifier Number 31123  
MB Docket No. 05-150, RM-11214

Dear Ms. Dortch:

CC Licenses, LLC ("Clear Channel"), the licensee of Station WJCD(FM), by its counsel, hereby requests a thirty day (30) extension of time to file the application to implement the rule making identified above.

The Commission issued a *Memorandum Opinion and Order* on February 1, 2008, in the aforementioned proceeding that amended the FM Table of Allotments to specify Channel 287B at Windsor, Virginia for use by Station WKUS, and Channel 299A at Norfolk, Virginia, for use by Station WJCD. The Commission advised Clear Channel to submit minor change construction permit applications for both stations within 90 days of the effective date of the *Memorandum Opinion and Order*. The WKUS application has been filed and granted.

Clear Channel needs additional time to finalize plans for acquisition of the new WJCD site. Thus, Clear Channel hereby requests a further thirty (30) day extension of time, until January 16, 2009, to file its application for WJCD.

If there are any questions about this request, please contact undersigned counsel for CC Licenses, LLC.

Sincerely,

  
Mark Lipp
