Dear Ms. Dortch:

On December 19, 2009, Mary Crespy, Richard Ellis, Leslie Owsley and Kathy Scovic (by phone) of Verizon met with Tom Chandler of the FCC Consumer and Governmental Affairs Bureau to discuss Verizon's efforts to meet the Commission's deadline for the delivery of VoIP-based "711" TRS calls to the proper relay center (based on the registered address of the VoIP customer). Verizon expects to be in compliance with the Commission's requirements by the March 31, 2009 deadline

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Richard T. Ellis".
