

Keep it FREE

Living in Billings, Montana is a privilege, but we do lack some of the cultural and educational advantages that big cities in far more progressive states have.

As a preschool teacher, mother and grandmother the internet is one tool that should be free to all to use in any manner.

Net Neutrality is essential to free speech, equal opportunity and economic innovation in America.

This fundamental change would end the open Internet as we know it. It would damage my ability to connect with others, share information and participate in our 21st century democracy and economy. The FCC must ensure that broadband providers do not block, interfere with or discriminate against any lawful Internet traffic based on its ownership, source or destination.
