Dear MS. Dortch,

On behalf of the Region 6 Regional Planning Committee (Northern California), I am pleased to submit the attached 700MHz Plan for the Commission's review and approval. Please note that we have developed our Plan consistent with the Commission's guidelines, that our Plan includes a repacked frequency table that is not inconsistent with the national CAPRAD allocations, and that we have also included Letters Of Concurrence from the three abutting RPCs, Oregon, Nevada, and Southern California. If I can be of further assistance in clarifying any of the Plan's content please contact me at the address above or via email, [Randall.Hagar@acgov.org](mailto:Randall.Hagar@acgov.org).

Respectfully,

Randall Hagar
