Dear Chairman Martin,

I'm a multimedia African American producer with over twenty years of experience. Thank you for your foresight, concerning the stipulation that radio channels for underserved communities, being incorporated into the proposed Sirius/XM merger proposition.

Whom at Sirius should I contact pertaining to leasing one of the channels, being designated for the aforementioned purposes, when and if the merger is authorized? I look forward to hearing from you. I will also contact your office to ascertain this information.

Thank you for your assistance and professionalism.

Sincerely,

Rafee Kamaal
CEO & President
