As of 12/31/2008: Total: 26 Compliant M3 13 T3 11 Non-compliant 13

Section 7

Product Labeling: All compliant handsets were labeled in accordance with 47 C.F.R. § 20.19 (f) requirements except the following:

Nokia 6061 – Boxes are not labeled. Company refuses to send labels for the boxes. Company states all newer products will have information on packaging. Inserts are included in the boxes.

Sony Ericsson Z310 – Boxes are not labeled. Company refuses to send labels for the boxes. Company states newer products will have information on packaging. Inserts are included in the boxes.

Sony Ericsson W580 – Boxes are not labeled. Company refuses to send labels for the boxes. Company states newer products will have information on packaging. Inserts are included in the boxes.

Section 8

Website: The Company's website located at www.hubbardtelephone.com does not contain hearing aid compatible specifications. However, that website refers customers to the website of its affiliate Iowa Wireless, LLC which contains hearing aid compatible information: http://www.iwireless.com/customer_support-hearing_aid.asp.

Section 9

Consumer Outreach: Hardin County Wireless, Inc. provides in its retail outlets signs and brochures regarding the availability of hearing aid compatible handsets.

Section 10

Explanation of levels of functionality – Each handset model is described by its capabilities regarding features and functionalities. The categories are as follows:

- Basic handsets - Entry level handsets that are offered for low cost or free.
- Featured handsets – Handsets with more advanced capabilities
- Smartphones/PDAs – Handsets that run complete operating system software as a platform for application developers.
