ORDER

Issued: December 22, 2008

;

Released: December 24, 2008

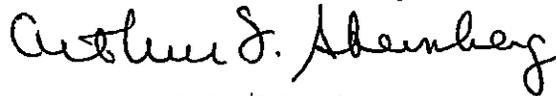

Under consideration is a Motion for Clarification of Procedural Rulings, filed on December 22, 2008, by Comcast Corporation ("Comcast") in connection with File No. CSR-8001-P. Since time is of the essence in this proceeding, this ruling is being made without awaiting responsive comments.

Comcast seeks a ruling that depositions of fact witnesses are permissible. In support, Comcast cites several portions of the transcripts of the October 27 and November 25, 2008, prehearing conferences at which the subject of depositions was discussed.

Comcast's motion will be granted. For the reasons recited by the Presiding Judges at the prehearing conferences, the depositions of fact witnesses *will be permitted*.

SO ORDERED.
