Dear Ms. Dortch:

Yesterday, January 13, 2009, Curt Stamp, President of ITTA, and the undersigned met with Nicholas Alexander of Commissioner Robert M. McDowell's office to discuss the above-captioned proceedings. The presentation was consistent with ITTA's prior filings in the docket, including the need to ensure regulatory parity for voice services terminating on the PSTN and ITTA's continuing interest in appropriate intercarrier compensation reform.

Respectfully submitted,
