Re: Transition Initiation Plan for Roswell, NM (BTA 386)
WT Docket No. 06-136

Dear Ms. Dortch:

Pursuant to Section 27.1231(f) of the Federal Communications Commission's rules, 47 C.F.R. § 27.1231(f), Plateau Telecommunications, Inc., hereby submits this Initiation Plan to transition the Broadband Radio Service ("BRS") and Educational Broadband Service ("EBS") licensees in Basic Trading Area ("BTA") Roswell, NM.¹

As indicated below, this Initiation Plan filing includes: (i) identification of the BTA being transitioned; (ii) a list by call sign of all of the BRS and EBS licensees in the BTA that is being transitioned; (iii) a "best estimate" of when the transition will be completed; (iv) a statement confirming that licensees in adjoining or adjacent BTA(s) need not be transitioned to avoid interference to licensees in the subject BTA being transitioned; (v) a statement that there is no co-proponent; and (vi) a certification that Plateau has the funds available to pay the reasonable expected costs of the transition.

Section 27.1231(f)(1)(i), List of BTAs.

The BTA being transitioned is listed in Exhibit A.

Section 27.1231(f)(1)(ii), List of Transitioning Licensees.

A list by call sign of all BRS and EBS licensees in the BTA that is being transitioned is provided in Exhibit A.

Section 27.1231(f)(1)(iii), Best Estimate for Completion.

After evaluating the various factors at issue in transitioning these licensees, including the

¹ Plateau is eligible to serve as the proponent to transition this BTA under section 27.1231(c)(1) of the Commission's rules, since it is the licensee of at least one BRS License in the area. 47 C.F.R. § 27.1231(c). Plateau has also satisfied all necessary conditions for filing an Initiation Plan, including sending a Pre-Transition Data Request and a Transition Notice to every BRS and EBS licensee in the subject BTA. See 47 C.F.R. §§ 27.1231(d)-(e).

number of licensees being transitioned, Plateau's best estimate for completion of this transition is on or before **December 31st, 2009**.

Section 27.1231(f)(1)(iv), Statement on Adjacent BTAs.

Plateau has determined that it is unnecessary to transition any BRS/EBS licensees in adjacent or adjoining BTAs in order to avoid interference to the licensees in the markets that are the subject of this Initiation Plan. If subsequent analysis causes interference outside the BTA, Plateau will work to eliminate such interference.

Section 27.1231(f)(1)(v), Statement on Co-Proponent.

Not applicable. Plateau is not transitioning this market jointly with a co-proponent.

Section 27.1231(f)(1)(vi), Certification of Funds.

Plateau certifies, based on the data collected through the Pre-Transition Data Requests, that it has sufficient funds available to pay the reasonable expected costs of the transition.

In the event you have any questions regarding the Initiation Plan, please contact our counsel at:
