ANNUAL AFFIDAVIT OF COMPLIANCE

I, William Foshay, being duly sworn, attest as follows:

1. I am Senior Vice President – Centralized Operations Support for Verizon Telecom
2. It is the policy of the Verizon telephone companies not to discriminate in the installation, maintenance, repair, or quality of basic regulated network services on the basis of the provider of a customer's enhanced service, or in favor of affiliated enhanced service providers. Furthermore, to the best of my knowledge and belief, during the year 2008, the Verizon telephone companies have not discriminated on the basis of the provider of a customer's enhanced service, or in favor of Verizon's enhanced service providers, with respect to the installation, maintenance, repair, or quality of basic regulated network services.
3. In addition, to the best of my knowledge and belief, the Verizon telephone companies have followed the installation procedures specified in their applicable Open Network Architecture Plans.

William Foshay

Subscribed and sworn to before me, a Notary Public, this 29th day of December 2008.
