Re: Notice of Ex Parte Communication,
WT Docket #08-166, 08-167
DA 07-1946

Dear Ms. Dortch:

On January 22, 2009, Mr. David Donovan (MSTV), Mr. Larry Walke (NAB), Mr. Bill LeBeau (NBC Universal), and Ms. Anne Lucey (CBS) met with Ms. Angela Giancarlo, chief of staff & senior legal advisor to Commissioner Robert McDowell.

We discussed MSTV/NAB's phased plan for removing licensed wireless microphones from operating on TV channels 52 – 69. We explained that our approach would ensure that there would be no interference to entities seeking to operate on these channels.

In addition, we discussed our concerns about allowing Clarity Broadcasting to operate "Trucker TV" on frequencies now reserved for electronic newsgathering and other BAS services.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David Donovan", is written over a large, stylized flourish that extends to the right.
