Re: Rocket Radio, Inc.  
MB Docket No. 08-85  
RM-11427

Dear Ms. Dortch:

On January 21, 2009, the undersigned filed with the Commission an original and four copies of the Comments of Rocket Radio, Inc., in response to the Notice of Proposed Rule Making and Orders to Show Cause released by the Commission in the above-noted proceeding on November 28, 2008.

The Comments listed the correct docket number but the letter of transmittal contained an incorrect number (i.e., MB Docket No. 08-35 instead of MB Docket No. 08-85). This was a clerical error.

Rocket Radio, Inc. hereby attaches a revised transmittal letter which corrects the docket number and requests that it be substituted for the previously filed letter. For the convenience of the Commission, a copy of the Comments of Rocket Radio, Inc. is submitted herewith.

Should any questions arise concerning this matter, kindly advise the undersigned.

Sincerely,

Erwin G. Krasnow
