ORDER

Issued: December 10, 2008

Released: December 10, 2008

Time Warner filed a Motion for Partial Modification of Procedural and Hearing Order on December 5, 2008.

In the interest of time, it would be conducive for the parties to resolve the procedural questions by an agreed proposed *ORDER* drafted by counsel and submitted for signature by the

Presiding Judge. Recall there was considerable discussion on the record about timing of disclosures of experts, and the like, so the transcript rulings control.

The proposed *ORDER* is to be submitted **by 12 noon on December 12, 2008.**¹

All further pleadings responsive to Time Warner's Motion ARE EMBARGOED for a reasonable period to permit the proposed *ORDER* to be considered and signed.

SO ORDERED.
