Re: Notice of *Ex Parte* Presentation, Applications Relating to the Transfer of Control of Time Warner Cable Inc. from Time Warner Inc., MB Docket No. 08-120, WC Docket No. 08-157

Dear Ms. Dortch:

On February 5, 2009, Glenn Britt, President and CEO, Gail MacKinnon, Executive Vice President, and Steven Teplitz, Senior Vice President, all of Time Warner Cable; together with Carol Melton, Executive Vice President of Time Warner Inc.; and David Rudd, of the Palmetto Group met with Acting Chairman Michael Copps and his Chief of Staff, Rick Chessen, and with Commissioner Jonathan Adelstein and his Legal Advisor, Rudy Brioché, regarding the proposed separation of TWC from Time Warner Inc. At both meetings, consistent with our prior filings, we reiterated why approval of the license transfers attendant to the pending separation transaction will promote the public interest, and we urged the Commission to take immediate action.

If you have any questions about this filing, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steven Teplitz', written over a horizontal line.
