VERIZON WELCOMES MCI CUSTOMERS!

Dear _____,

Verizon and MCI are pleased to announce the opportunity to deliver ongoing value to MCI customers by transitioning service from MCI to Verizon - a company with the strength of carrying over one billion calls a day at 99.9% network reliability.

MCI will no longer provide residential and small business local, toll and long distance service in your area, subject to state and federal approvals. While you will experience a change in providers, you will continue to enjoy exceptional telecommunications service.

According to our records, your local, local toll, and/or long distance service is provided by MCI. If MCI is not your current provider for local, local toll, and/or long distance service, your service with another provider will not be impacted. Please review this letter and consider your options to replace your MCI service.

You have three options to choose from:

1. CALL VERIZON directly before MARCH 25, 2009 and select the plan of your choice. Turn the table on the economy by taking advantage of our current promotions! Contact Verizon at 1-877-854-8527 to learn about our wide variety of voice, video and internet product and bundle options.
2. CHOOSE NOT TO TAKE ANY ACTION and your service will be easily and automatically transferred to Verizon at no cost to you.
3. SELECT ANOTHER PROVIDER. To make this change, you must call that provider directly. You will be responsible for any charges imposed by the new provider for making this change.

If you have arranged a local, toll and/or long distance preferred carrier freeze(s) or call blocking option(s) through your local carrier on the service(s) involved in this transfer, the freeze(s) and call blocking option(s) will be removed in order to transition your service to Verizon. You must contact your local carrier, after the transfer, to re-establish a freeze or call blocking option. If you are transferring your service to another provider, you will have to call MCI to lift the freeze before that service can be installed.

(please see other side)

If you do not contact Verizon and you do not select another provider before MARCH 25, 2009, your telephone service will be changed to Verizon and your calling plans will be Business Exchange service - measured with Freedom Local. Your rate for Business Exchange Service - measured is \$19.99 per line per month. Freedom Local is \$22.50 per line per month, with unlimited local calling.

If you currently have MCI for regional toll calling, your new regional toll calling (calls beyond the local calling area but not yet long distance) will be under the Business Link plan. The rate is 1¢ per call and 7.5¢ per minute, and is billed in one second increments. These plans are provided free of charge and provide a discount of 5% to 25%.

If you currently have long distance calling with MCI, your new long distance calling will be provided under Firm Rate Advantage, which has a \$10 per month minimum spend level. State to state calls will be 6.4¢ per minute, and in-state calls will be 6.4¢ per minute. If you have an MCI international calling plan, your new international calling plan will be Talk to the World. For just \$5.95 per month, you'll get flat rates for all direct dialed international and calling card calls with competitive, country-specific flat rates to more than 250 locations. If you have MCI Toll Free (T800) service, your new service will be Verizon Toll Free Service. For \$15 per line per month calls can originate nationwide, and will contribute to minimum long distance spending levels. Your existing toll free number will be switched to this service. Domestic toll free per minute rates are the same as those for Firm Rate Advantage.

After the transfer, you will receive a final bill from MCI, and your new monthly bill will come from Verizon. You will be notified in your monthly bill if there are any changes to your rates, terms or conditions. You will not incur any charges for the automatic transfer to Verizon and you may change your calling plan, at no cost, by calling Verizon after the transfer.

If you have any questions regarding this notice, your MCI account, billing issues, complaints, or the discontinuation of service, please call MCI at 1-800-444-0003.

Verizon looks forward to the opportunity to serve your telecommunications needs. For questions regarding your new Verizon account or Verizon service options, don't hesitate to call us 1-877-854-8527 or visit www.verizon.com.

Sincerely,

Verizon and MCI
