Name of Company Covered by this Certification: eTELEPONO, Inc.

Form 499 Filer ID: 825454

Name of Signatory: Marc Redila

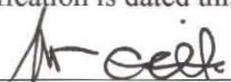

Title of Signatory: Chief Executive Officer

I am the Chief Executive Officer of eTELEPONO, Inc. and as such do hereby certify, affirm, depose, and say that I have authority to make this Customer Proprietary Network Information ("CPNI") Annual Certification of Compliance on behalf of eTELEPONO, Inc. I have personal knowledge that eTELEPONO, Inc. has established adequate operating procedures to ensure compliance with the Commission's CPNI rules as set forth in 47 C.F.R. § 64.2001 *et seq.*

Attached to this Certification is an Accompanying Statement explaining how the company's procedures ensure compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

eTELEPONO, Inc. received no customer complaints in the past year concerning the unauthorized release of CPNI. Further, eTELEPONO, Inc. has taken no action against data brokers for the unauthorized release of CPNI during calendar year 2008. eTELEPONO, Inc. will report any information it may obtain with respect to the processes pretexters are using to attempt to access CPNI and what steps eTELEPONO, Inc. is taking to protect CPNI.

This Certification is dated this 23rd day of February, 2009.

Marc Redila
Chief Executive Officer
eTELEPONO, Inc.

Customer Proprietary Network Information Certification Accompanying Statement

eTELEPONO, Inc. ("eTELEPONO") has established practices and procedures adequate to ensure compliance with Section 222 of the Communications Act of 1934, as amended, and the Federal Communications Commission's ("FCC") rules pertaining to customer proprietary network information ("CPNI") set forth in sections 64.2001 — 64.2011 of the Commission's rules. This attachment summarizes eTELEPONO's practices and procedures, which have been updated to adequately ensure compliance with the Commission's CPNI rules.

Safeguarding against pretexting

- eTELEPONO takes reasonable measures to protect CPNI and believes that these measures sufficiently prevent unauthorized access to CPNI.

Training and discipline

- eTELEPONO has trained its personnel in the appropriate use of CPNI. All employees with access to CPNI are required to review and comply with eTELEPONO's CPNI policies and procedures.
- eTELEPONO has disciplinary process in place for violations of eTELEPONO's CPNI policies and procedures which would encompass any misuse of CPNI.

eTELEPONO'S use of CPNI

- eTELEPONO does not share, disclose, or otherwise provide CPNI to third parties.
- eTELEPONO may use CPNI for the following purposes:
 - > To initiate, render, maintain, repair, bill and collect for services;
 - > To protect its property rights; or to protect its subscribers or other carriers from fraudulent, abusive, or the unlawful use of, or subscription to, such services;
 - > To provide inbound telemarketing, referral or administrative services to the customer during a customer initiated call and with the customer's informed consent; and
 - > To market additional services to customers that are within the same categories of service to which the customer already subscribes.
- eTELEPONO does not disclose or permit access to CPNI to track customers that call competing service providers.
- eTELEPONO discloses and permits access to CPNI where required by law (e.g., under a lawfully issued subpoena).

Customer approval and informed consent

- eTELEPONO does not use CPNI for any purpose that would require customer approval to do so. eTELEPONO does not use CPNI for any marketing purposes and does not share, disclose, or otherwise provide CPNI to any third party. If this policy changes in the future, eTELEPONO will implement practices and procedures to ensure compliance with the Commission's CPNI regulations.

Additional safeguards

- eTELEPONO has established a supervisory review process designed to ensure compliance with the FCC's CPNI rules.
- eTELEPONO designates one or more officers, as an agent or agents of the company, to sign and file a CPNI Compliance Certificate on an annual basis. The Certificate conforms to the requirements set forth in FCC rule 64.2009(e).
- eTELEPONO properly authenticates a customer prior to disclosing CPNI based on customer initiated telephone contact, online account access, or an in-person visit.
- eTELEPONO notifies customers immediately of any account changes.
- eTELEPONO may negotiate alternative authentication procedures for services that eTELEPONO provides to business customers that have both a dedicated account representative and a contract that specifically addresses eTELEPONO's protection of CPNI.
- In the event of a breach of CPNI, eTELEPONO will notify law enforcement as soon as practicable and no later than seven (7) business days from discovering the breach. Customers will be notified after the seven (7) day period, unless the relevant investigatory party directs eTELEPONO to delay notification, or eTELEPONO and the investigatory party agree to an earlier notification. eTELEPONO will maintain a record of all CPNI security breaches, including a description of the breach and the CPNI involved, along with notifications sent to law enforcement and affected customers.
