Accompanying Statement of Annual CPNI Compliance Certification

I, Sadrettin Altinok, as the President officer of the company declare that:

Signal Telecommunications Inc provides prepaid calling services mostly to transient public. It maintains all customer records electronically if provided. Signal Telecommunications does not have any affiliations with any third part marketing groups or companies. Signal only uses limited customer information such as email for their promotions for its own calling card business and do not share any information with anybody else. All information is kept in secure servers.

There are strict procedures to identify customers if any information is requested. To this date, there has not been any complains or any actions taken regarding any of the CPNI related regulations.

Signed electronically
